

2023-2024 College Pathways

Weekly News--Week of May 20

If you can't fly, then run. If you can't run, then walk. If you can't walk, then crawl. But by all means,
keep moving.

~ Martin Luther King, Jr.

The school year is a practice in movement. Sometimes that movement is slow and laborious and sometimes it feels so intense we wish it would slow down. My guess is these last few weeks have felt more like the latter...classroom parties, the 8th Grade End-of-Year Celebration, last Friday's senior capping ceremonies, and this week's final exams and graduation have brought an exciting, and fast paced, end to yet another school year. We are grateful for partnering with you for the 2023-2024 school year and we are already anticipating the start of next fall (Sorry...Too soon?). In the meantime, we hope the summer months are restful and rejuvenating for your family. And we hope the busyness of the last several weeks, and this year in general, will give way to many calmer and less hectic days!

Have a great summer! Thank you for another wonderful year!
