

# 2023-2024 Cottage School Program

Weekly News--Week of May 20

If you can't fly, then run. If you can't run, then walk. If you can't walk, then crawl. But by all means, keep moving.

~ Martin Luther King, Jr.

The school year is a practice in movement. Sometimes that movement is slow and laborious and sometimes it feels so intense we wish it would slow down. My guess is these last few weeks have felt more like the latter...kindergarten concerts, classroom parties, last Friday's CSP Family Event, and this week's Field Day have brought an exciting, and fast paced, end to yet another school year. We are grateful for partnering with you for the 2023-2024 school year and we are already anticipating the start of next fall (Sorry...Too soon?). In the meantime, we hope the summer months are restful and rejuvenating for your family. And we hope the busyness of the last several weeks, and this year in general, will give way to many calmer and less hectic days!

Have a great summer! Thank you for another wonderful year!

In Partnership,

Justin Peterson

## ***Typing Pal Log-In Instructions (Grades 3-6)***

Typing Pal is a learn-to-type program that we offer at no charge to all of our upper elementary students. There is no requirement to participate; it's simply something families may use as part of their home school curricula if students desire to learn/master basic typing skills. Log-in instructions are below.

1. Go to <https://clascott.typingpal.com>
2. Each student's **user name** is the first letter of his/her first name (as given in Infinite Campus; not a nickname) followed by the student's last name (i.e. shille would be the username for Stefani Hille).
3. The **password** is identical for each student—*titans*—UNLESS a student was with us previously and changed his/her account to a unique password. Once students are logged in, they may change their password to something unique to them.
4. Questions or trouble logging in? Contact Stef Hille at [shille@asd20.org](mailto:shille@asd20.org).
