Carpool Basics

Cross Peak View is blocked at the North entrance during these times:
 Mornings 7:55 AM - 8:15 AM
 Afternoons 3:20 PM - 3:45 PM

General Information

- Please observe all traffic rules: speed limit is 10 mph, remain in the drive lane, follow the directions of the carpool attendants, and stop at the stop signs (unless waved through by an attendant).
- Cars entering the carpool line will enter from the north (New Life Drive) through the New Life Church parking lot. Please display your carpool card (K-2) or (3 and up) on your dashboard (available in the office).
- Cars wishing to park may enter from the south onto Cross Peak View. Please display a parking card (available in the office).
- During carpool pick up times all siblings and/or members of a carpool group will stand with the youngest student's grade level.
- All Exiting Vehicles (purple line) wishing to turn left onto Cross Peak View and gain quick access to Highway 83 should proceed to the stop sign at the SW intersection of PPCC road and Cross Peak View. Waiting for a left hand turn at a right turn only intersection blocks the entire line behind you.
- Walk up parents must follow the Parking rules above and wait in the designated area for their students. If your child does not come to the waiting area, notify a carpool attendant and he/she will radio for **your child to come to you**. Please do not walk into the K thru 2nd pick-up zone during the afternoon carpool time frame.
