

Permission Forms

Choir students participate in a variety of off campus activities throughout the school year. Please make sure your medical forms are up to date with the school health office. These forms can be found by going to the TCA main page clicking on "Parents" on the top gray bar, and selecting "Health/School Nurses" on the Left. At the bottom of the page is a list of documents that contains the various medical forms.

Permission Slips

Permission slips were included in the syllabus and contracts that you received at the beginning of the school year.
