Field Trip

We will have our first field trip of the year on Tuesday, November 14. If your child didn't order a sack lunch, they will need to bring a sack lunch from home. We will be visiting the Cheyenne Mtn. Zoo.

Please make sure your child is dressed in layers and appropriately for the weather. They need to wear shoes good for walking. It is regular dress code attire.

Love of Learning Challenge

Has your child told you that we are focusing on the Love of Learning line in the Titan Creed? We will present the ways that third graders love to learn at TCA during the December 8 morning assembly.

November Character Trait

Gratitude – You are aware of the good things that happen to you and you are thankful for them. You always take the time to say thank you.

Progress Reports

Progress Reports will be sent home on November 17th for any student with 70% or lower in any academic subject. Please reach out to your child's teacher with any questions.

Thanksgiving Celebration

Come join our classroom as we host parents for a simple Thanksgiving celebration on Nov. 17 at 11:15. Modeled after our recitation, "The First Thanksgiving of All", we are grateful for the blessings we have. Be on the lookout for a sign-up sent by your room parent or classroom teacher.
