

# Third Grade News

August 21—August 25

*The Classical Academy  
North Elementary*

*The third grade team is excited for the opportunity to partner with you to ensure a successful school year for your child. Be sure to read the newsletter each week, as it is the best way to know what is happening in your child's classroom.*

## Parent Volunteers Needed

Many of the third grade classes are still in need of weekly volunteers. Look for an email from your child's teacher with a list of what she still needs. **You must have a background check on file to volunteer regularly at school. (Submit online from our website.)** If you are not able to help at school, we would gladly take help at home. **Thank you so much!**

*Join us for Back to School Night on Tuesday, August 29 from 6:00-8:00 pm.*

## Restroom Use

3rd graders must sign in and out when using the restroom. Please work with your child on reading an analog clock so that they will be able to sign in and out more quickly.

## Cursive

*Students will be using cursive for all subject areas except math this year. While this can be a difficult transition for students, it becomes much easier the more we practice. Please encourage your child to use cursive even when writing at home until he/she becomes proficient!*

*Welcome to 3rd grade!*
