Field Trip Snack and Lunch

On Tuesday, February 27th we'll go to the Cliff Dwellings for a self-guided tour. Students should bring a pocket snack (a snack that fits in their pocket).

We'll eat lunch when we return to school. To order a school sack lunch, turn in the second orange form to your child's teacher. No hot lunch on that day.

Parent/Teacher Conferences

Conferences will be on Friday, March 1st. Please note that most conferences are optional on this day. Look to your child's teacher for communication on how to sign up. We appreciate you and your partnership in your child's education. If you'd like to meet with a specials' teacher you will need to contact them directly to set up a meeting.

Quote by William Penn

"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

- William Penn (1644-1718)
British religious leader

Math Facts

Skip counting by 6, 7, 8, and 9 is very helpful.

Leftovers is a great way to practice division. Directions and a video are located on the TCA website
