School (Tentative)

MATH

Multiplication Facts

Please continue to study multiplication facts at home. We are working on memorizing x1, x2, x3, x4, x5 and x10, with a goal of mastery by the end of second grade.

Spelling Test

Due to literacy testing, we will not have a spelling test this week.

Literacy Testing

Please be looking for a sign up from your child's teacher for our end of year literacy testing.

Character Values in the classroom:

It seems as though we are having to discuss proper behavior in the classrooms more and more as we move closer to the end of the school year. Students are encouraged to improve and maintain their **habits of excellence** while on their journey of learning. Please continue these conversations at home to help us finish our school year strong.

Who Has Seen the Wind?

By Christina Rossetti

Who has seen the wind?

Neither I nor you:

But when the leaves hang trembling,

The wind is passing through.

Who has seen the wind?

Neither I nor you:

But when the leaves bow down their heads,

The wind is passing by.

Reminders:

The end of the school year is quickly approaching. Please continue to encourage your child to read and practice cursive handwriting.

Spelling Lists-No test this week.

May Saying

You can't teach an old dog
new tricks.
