

How to Create a Log-In For Your Student
You will need to sign in to the Extended Parent Portal (<https://rp1.asd20.org/apxd2/f?p=ep:login>)

Enter your username and password

See household list

Click on your student's name

Click on the "student password reset (optional)" tab

Follow the guidelines on that screen (assign your child a password)

You will also need your student's ID number. Return to your student's tab and you will find their ID number next to their name at the top of the screen. **Please test your student's username and password** by going to our website and clicking on the Schoology tab or by [clicking here](#). The username template for Schoology looks like this: student#@msa.asd20.org. Students will use the password you set.

If you are having trouble logging in to your extended parent portal, you can reset your password at <https://rp1.asd20.org/apxd1/f?p=2220:101>.

The temporary password is emailed to your email address on file.

If you do not receive your temporary password, email TCAHelpDesk@asd20.org or call our front office at 484-0081.

To Change your temporary parent portal password:

You can change your password using the Self-Service Password Tool.

<https://rp1.asd20.org/apxd1/f?p=2220:101>

Click on "Change Your Known Password"

Enter your username and password

Select "Find My Account"
