## Thank You!

Thank you to all the parents who have generously supported our curriculum days and special events all year. We had a lovely school year thanks to your generosity! The number of parents who partner with us make TCA a truly unique and phenomenal place!

## Last Day Assembly

On Thursday, May 23rd at 8:15 am we will have our final Morning Assembly of the school year. The 6th graders will do their last hallway walk. Then at the assembly, there is a special time when each grade level moves to their new place in the gym, symbolizing their transition to the next grade level.

## Math Facts

Please be continuing to practice math facts over the summer as well! All multiplication and division facts must be mastered before entering 4th grade.

## Farewell

It is with sadness that we bid farewell to your wonderful children. This has truly been a remarkable third grade year, and we are sad to see it come to an end. Blessings on your summer!

Love, the 3rd Grade Team
