"Courage is not limited to the battlefield... The real tests of courage are much quieter. They are the inner tests, like remaining faithful when nobody's looking, like enduring pain when the room is empty..."

~Charles Swindoll~

CogAT Testing

The third graders will be taking CogAT, which is a standardized test that helps us understand how your child learns, on the mornings of **September 25-27**. Please make every effort to have your child at school and on time on these days. Testing begins promptly at 8:30! Please feed them a healthy and hearty breakfast after a good night's rest! Thank you!

Grandparents' Day

Friday, September 22 from 9:00 (gym) to 11:30. Please do not arrive before 8:30 due to morning carpool. Light refreshments will be provided. We value the wisdom and experience of the senior citizens in this community. Please share this information to get the word out to these special people in your life. They will also have the chance to Apopt-a-Book(s) if they'd like.

If your child will be going home with their grandparent after the event, please use this link to fill out the pre-checkout form to give permission for this.
