Concert

The third and fourth grade holiday concert is Thursday, December 7th at 2:00 pm. We would love you to join us if you can!

Telling Time

Telling time on the analog clock is a very important skill we are continuing to work on in 3rd grade. If you don't have an analog clock at home, it would make a very good Christmas gift! (Analog watches are great too!) Please continue practicing this skill whenever you get a chance to solidify your child's understanding!

Colorado and Coats!

As you all know, Colorado weather can be unpredictable and crazy. Your child needs to come to school prepared for cold weather every day in the fall. Layering is a good idea so your child can add warmth as needed. The classrooms can also fluctuate in temperature, so a TCA approved sweater or sweatshirt is always handy to have in your child's locker. Thank you for helping your child stay warm and comfortable this fall!

In Our Curriculum:
