## Parent Teacher Conferences, Oct 5 and 6

We have found it helpful to include 6th grade students in the conference. Feel free to bring your student with you at your conference time.

## Olympic Museum Field Trip, Sept. 28

Students will need a sack lunch on this day! Mrs. Woodward's and Mr. Means' classes will go in the morning, and Mrs. Haist's and Mrs. Peck's classes will go in the afternoon. If you are interested in chaperoning, please contact your child's teacher.

*I believe in the power of a fiery autumn,  
to dazzle my senses and fill my soul  
with enough brilliant beauty  
to last me through the greys and whites  
of the chilly winter days that lie ahead.
