

Next Number Snap

Number recognition and counting on by 1

Materials: Regular Deck of Playing Cards (remove all the face cards, Ace is one)

Directions:

- The object of the game is to collect all the cards.
- This game is played with two players.
- Deal out all the cards to players face down.
- Players alternate turning over their top card, saying the number aloud and placing the card on the discard pile.
- If the new card is one more than the top card on the discard pile, the first player to say “Snap” collects the discard pile.
- The game ends when a player is out of cards. The player with the most cards wins.
