

Salute

Multiplication and Division Fact Practice

Materials: Deck of playing cards with the face cards removed.

Directions:

- This game works best with 3 players.
- Place the deck of cards in the middle of the three players.
- Player One draws a card and without looking places it on their forehead.
- Player Two draws a card and without looking places it on their forehead. (If playing with only 2 players put this card on the table face up.)
- Player Three silently multiplies the two cards and says the product out loud.
- Then player One and Two try to be the first to determine the card on their forehead.
- After several turns, switch roles so everyone gets a chance to determine the product.
