

# 2ND GRADE NEWS

October 30- November 3

## Here's What's Happening:

### Something Told the Wild Geese

*By: Rachel Field*

Due: November 27

Something told the wild geese

It was time to go.

Though the fields lay golden

Something whispered-- "Snow."

Leaves were green and stirring,

Berries, luster-glossed,

But beneath warm feathers

Something cautioned— "Frost."

All the sagging orchards

Steamed with amber spice,

But each wild breast stiffened

At remembered ice.

Something told the wild geese

It was time to fly—

Summer sun was on their wings,

Winter in their cry.
