SIGNED & PENDING

That’s it! This form must be completed for each student enrolled in the College Pathways program.

**Tips:**

1. The form may have been assigned to multiple guardians if each guardian has an Infinite Campus portal sign-in. Only one signature is required as long as the portal sign in, name of the person completing the form, and the signature all match.
2. If you are a staff member, it is recommended that you log into your parent portal on a separate computer than what you use for work. Your staff login will interfere with your student’s login.
3. If your student logs into their student portal on the computer you are trying to log into the parent portal on, be sure you have completely logged out of the student portal first (you may need to clear your browser history, use a different browser, or try a different device if login issues persist).
