

SKYTREE

BOOK FAIRS

Hello!

The Classical Academy East Campus is hosting a SkyTree Book Fair! SkyTree Book Fairs seeks to provide safe, family friendly books to children through school book fairs. We strive to help kids fall in love with reading through books that are **age appropriate**. Our catalog ranges from books that are classics like *The Chronicles of Narnia* to newer tales like *Bluey* that are just good books that families can trust. You will find a glimpse of some of our titles in the catalog that was sent home.

While we do seek to serve families through our vetting process, we recognize parents and guardians have the ultimate authority of discerning whether their child should or should not read a certain piece of literature.

This fair will take place **4/22/2024** to **4/26/2024**. Come visit the fair where you can purchase good, wholesome books for your friends and family! Registers at checkout will accept cash, check, or card. You should be receiving your child's wish list to show you what books they have selected. All purchases made go towards meeting your school's fundraising goal!

If you would rather send your child with a gift card, you can purchase one at <https://skytreebookfairs.org/giftcard>. Be sure to print the gift card so that they can present it at checkout! Book fair hosts do not have the ability to look up gift cards. Note: We are not able to refund gift cards that have unused funds but they can be used online and in person.

SkyTree Book Fairs is a nonprofit organization. We rely heavily on donations in order to successfully bring good books to students across the nation. If you would like to help bring SkyTree Book Fairs to other schools, check out our website at <https://skytreebookfairs.org/>

What a joy it is for SkyTree to get imaginations to soar, while being rooted in truth!

Blessings,

SkyTree Book Fair Team
