Animal Book Report Project

Animal book KWOs are due on Tuesday, January 16th. Students will start writing their rough drafts of their animal book reports in class that day. If they have misplaced their worksheet you can [click here](#).

At home, students should be working on their puppet of the animal they selected to write about. **Puppets will be due on January 29th.**

Since this is a third grade project, the students should be completing a majority of the work. If a part of their puppet is not able to be completed independently or with minimal assistance from an adult, then it should not be a part of their puppet. Thank you for allowing them to grow in their independence.
