HERE'S WHAT'S HAPPENING:

Valentine's Day Celebration

What a wonderful time of the year, where we get to celebrate the love of friends and family! Here at TCA, our students celebrate the beauty of love with **only friendship** in mind.

Students may bring one valentine for each classmate. Similar to our birthday celebrations and invitations policy, we want all students to feel special!

CMAS coming soon!

Third graders will have three days of standardized testing beginning April 8. **Please make every effort to have your child at school on time** and keep testing dates free of appointments and vacations. Thank you for your consideration regarding these dates and times.

If you have any concerns, please contact Ms. Wilkewitz at wilkewi@asd20.org

Character Corner

Third graders recite "The Bee" by Isaac Watts this month. The final lines read, "That I may give for every day some good account at last." Discuss with your child what they can do each day as "some good account" for their time.

February Character Trait Perseverance

IN OUR CURRICULUM:

Spelling- Our next test will be on **Feb. 15th** on lists 39/40. You can find our spelling lists on [Spelling City here](#).

Math- We are learning about fractions in [Chapter 9](#). Our first test on fractions will be next week. Please ensure your student is practicing their math facts daily.

Writing-We are preparing for CMAS by building our confidence to summarize paragraphs independently.

Literature- We are reading the novel The Lion, the Witch and the Wardrobe.

Recitation - The Bee
Due week of 2/20
(A recitation schedule for the year has been posted on the 3rd grade website.)

Science- We enjoyed our visit from Matt Meister and learning about meteorologists and how they study weather.
