

Anatomy & Physiology

- 8.5" x 11" Composition Notebook (graph paper better than lined)
- Pencil and pens
- Dry-erase markers (3 different colors)
- Colored pencils or colored highlighters (at least 8 different colors)
- 1 box of tissues (last name A-O)
- Clorox wipes (last name P-Z)

Astronomy

- Writing implements (pencils, colored pens, highlighters)
- Composition notebook (with or without graph paper)
- 3-ring binder or multi-subject notebook or note binder
- Folder (if purchase notebook/note binder)
- Calculator (same as math, TI83/84)
- Package of 8.5"x11" lined paper
- USB Flash drive
- 1 Clorox Wipe Box
- 1 Tissue box
- 6" ruler

Biology (General)

- 3-ring binder (2 inch size or larger)
- College ruled paper for notes
- 7 binder dividers with tabs for sections (we will label them in class)
- Small post-it notes
- Highlighter
- Pencils with erasers for note taking, may also use pens
- Red pen
- Dry Erase Marker
- Last names A-J: Box of tissues (generic brand are great)
- Last names K-Z: Clorox wipes (generic brand are great)

Biology (Honors)

- 2 graph paper composition notebooks
- Writing utensils (pencils, colored pens, red pen, highlighters)
- 1 Dry erase marker
- 1 roll of tape
- Post it divider tabs (for your composition notebook- optional)
- Calculator
- Last names A-M: box of tissues
- Last names N-Z: Clorox wipes OR roll of paper towels

AP Biology

- 2 graph paper composition books (for notes and labs)
- One sturdy folder with prongs and pockets (OR a small binder) to keep loose papers in
- Writing utensils: pencils, blue, black, and red pens, colored pens (for notes)
- 1 roll of tape
- Highlighters and dry erase markers (at least 2 of each)
- Calculator (graphing)
- Post it divider tabs (for your composition notebook- optional)
- Choose 1 for the class (or more!): 1 Clorox wipes or 1 Roll paper towels.

Chemistry (General and Honors)

- Chemical *Splash* Goggles- *I highly recommend purchasing your own although a class set is available from which you can borrow. Must be chemical SPLASH goggles, not just safety goggles.*
- Scientific or graphing calculator
- Pencils
- Dark blue or black pens for data collection
- A colorful pen for correcting homework (red, purple, orange, or green)
- A dry erase marker
- College-ruled notebook paper for homework or notes
- 3-ring binder (1.5" or larger)
- 1 box Kleenex (last name A-R) or Clorox wipes (last name S-Z)

AP Chemistry

- Chemical *Splash* Goggles- *I highly recommend purchasing your own although a class set is available from which you can borrow. Must be chemical SPLASH goggles, not just safety goggles.*
- Scientific or graphing calculator
- Pencils
- Dark blue or black pens for data collection
- Dry erase marker
- College-ruled notebook paper for homework and notes
- 1 box Kleenex (last name A-R) or Clorox wipes (last name S-Z)

Earth Science

- Writing implements (pencils, colored pens, highlighters)
- Composition notebook (with or without graph paper)
- 3-ring binder or multi-subject notebook or notebinder
- Folder (if purchase notebook/notebinder)
- Calculator (same as math, TI83/84)
- Package of 8.5"x11" lined paper
- USB Flash drive
- 1 Clorox Wipe Box
- 1 Tissue box
- 6" ruler

Intro to Environmental Science

- Writing implements (pencils, colored pens, highlighters)
- Composition notebook (with or without graph paper)
- 3-ring binder or multi-subject notebook or note binder
- Folder (if purchase notebook/note binder)
- Calculator (same as math, TI83/84)
- Package of 8.5"x11" lined paper
- USB Flash drive
- 1 Clorox Wipe Box
- 1 Tissue box
- 6" ruler

Physics

- College ruled paper or graph paper
- Pencils and colored pens
- Good erasers
- Dry-erase markers
- Scientific graphing calculator
- Tissue box or Clorox wipes for the class

AP Physics C

- Pencil and pens
- Dry-erase markers for in-class work
- 3-ring binder (2-inch size or larger)
- College ruled paper for notes
- Graph paper
- Graphing calculator (if other than TI-83/84, see AP website for approved calculators)
- 1 Tissue box for the class
